

Won Seok Choi, MS, PhD
School of Public Health
Health Behavior & Health Systems
Email: WonSeok.Choi@unthsc.edu

Area of Expertise

My primary research focus is the conflict of interests between agent and principal in corporate finance. This area of academic inquiry is fundamental and can be an important research topic in public health and healthcare administration.

Qualifications

BS in Business Administration, Korea University
PhD in Business Administration, The University of Texas Rio Grande Valley
MS in Finance, University of North Texas
MS in Mathematics Statistics, University of South Florida

Publications

Local investor attention and post-earnings announcement drift
