

Wei Yuet, PharmD
UNT System College of Pharmacy
Pharmacotherapy
Email: Cheng.Yuet@unthsc.edu

Area of Expertise

My primary areas of research include wellness, faculty development, and outcomes of pharmacy-based clinical services. I serve as an investigator for projects evaluating health behaviors among pharmacy students, faculty participation in a writing accountability group, and clinical pharmacist impact on diabetes management among Medicaid patients. Additionally, I serve as a health coach for the VA North Texas Health Care System on a prospective trial to improve physical activity among Veterans with comorbid chronic low back pain and depression.

Qualifications

PharmD, University of Oklahoma Health Science Center
BS, University of Oklahoma
