

Caitlin Gibson, PharmD, BCPS
UNT System College of Pharmacy
Pharmacotherapy
Email: Caitlin.Gibson@unthsc.edu

Area of Expertise

Dr. Gibson has conducted clinical research on various cardiovascular topics, with a particular emphasis on anticoagulant prescribing and dosing. Ongoing projects include a retrospective review of the impact of emergency medical personnel blood draws for labs on time-to-tissue plasminogen activator receipt in acute ischemic stroke, and a prospective study comparing two enoxaparin prophylaxis dosing regimens in morbidly obese patients. Dr. Gibson also conducts scholarly research with an emphasis on activities included in her didactic and elective courses and on factors of high-quality residency candidates.

Qualifications

PharmD, University of Texas at Austin
BS in Biology, Southwestern University
