

Veda Womack, MBA, PA-C  
School of Health Professions  
Physician Assistant Studies  
**Email:** Veda.Womack@unthsc.edu

## Area of Expertise

PA Womack has worked in various subspecialties in New York, Southern California and Texas that include: general surgery, renal transplant, urology, emergency medicine, critical care. Ten out of the 17 years of her experience focused on plastic and reconstructive surgery (specifically lymphatic surgery and complex reconstruction). PA Womack enjoyed teaching and training staff, residents and students during her clinical practice so much that she decided to switch to academia full-time in February 2018, when she joined UNTHSC PA Studies as an Assistant Professor. PA Womack has traveled internationally quite extensively to include volunteering with the medical mission organization, Amazon Promise in Iquitos, Peru in 2007.

## Qualifications

MBA, George Washington University  
BS in Biology and Psychology, State University of New York  
BS in Physician Assistant Studies, Touro College

## Publications

**Long-term outcomes of the minimally invasive free vascularized omental lymphatic flap for the treatment of lymphedema**
