

Lawrence Cohen, PharmD
UNT System College of Pharmacy
Pharmacotherapy
Email: Lawrence.Cohen@unthsc.edu

Area of Expertise

My research and scholarly interests include development of new/novel treatments for psychiatric disorders, pharmacokinetics, and pharmacodynamics of psychotropic medications, geriatric psychopharmacology, pharmacoconomics and health outcomes, pharmacoepidemiology, health disparities, and emergency preparedness (specifically, access and affordability of healthcare during times of crisis).

Qualifications

PharmD in Pharmacy, University of Southern California
BA in Biology, University of California at Los Angeles
