

Damon Schranz, DO
Texas College of Osteopathic Medicine
Family Medicine and Osteopathic Manipulative Medicine
Email: Damon.Schranz@unthsc.edu

Area of Expertise

Dr. Schranz serves as the director of both the two-month family medicine clerkship and the longitudinal preceptorship programs for his department. He is the co-course director for clinical medicine for 1st-year students. In addition to educational responsibilities, he is in active practice as a family physician at the university's satellite clinic where he also serves as preceptor for the Family Medicine Residency program. Dr. Schranz has published several articles for the ACOFP newsletter and the Journal of the American Osteopathic Association, and has presented abstracts at the North American Primary Care Research Group, Society for Teachers of Family Medicine, and the American Osteopathic Association. He has completed fellowships in academic medicine and health policy.
