

John G. Mills, DO
Texas College of Osteopathic Medicine
Family Medicine and Osteopathic Manipulative Medicine
Email: John.Mills@unthsc.edu

Area of Expertise

As a longtime UNT Health Science Center faculty member, Dr. Mills founded the university's correctional medicine program that provides much-needed medical care for the Federal Bureau of Prisons. In 2018 he created his fifth endowed scholarship to support the education of UNTHSC students, a commitment he hopes students who receive them will one day reciprocate.

Qualifications

BS in Medical Technology, Michigan State University
MS in Anatomy, Michigan State University
DO , Michigan State University
MPH in Health Planning and Administration, University of Michigan
