

Brandy Schwarz, DPT
School of Health Professions
Physical Therapy
Email: Brandy.Schwarz@unthsc.edu

Area of Expertise

Dr. Schwarz's research focus is on education: teaching and learning, interprofessional education, and clinical education. She is completing projects related to cultural competence development and helping to collect data on total contact casting for diabetic foot ulcers.

Qualifications

MBA in Health Services Management, University of Dallas
BS in Biology, University of Portland
MOT, University of Saint Augustine
DPT, University of Saint Augustine
EdD in Educational Leadership
