

Christina Robinson, MD
Pediatrics
Texas College of Osteopathic Medicine
Email: Christina.Robinson@unthsc.edu

Area of Expertise

Dr. Christina Robinson has taken a leadership role in providing healthcare directly to children in Fort Worth's most underserved communities. As the Medical Director of the new UNTHSC Pediatric Mobile Clinic, she is helping provide high-quality health care at no cost to families. The mobile clinic is a 40-foot "doctor's office on wheels" and offers wellness visits, physicals, episodic visits, immunizations, screening, and laboratory testing. It also provides education in nutrition, physical activity, and dental health.

Qualifications

BA in Sociology, Austin College
MD, Baylor College of Medicine
